Revised Inbound Air Travelers Policy**

Amid high disease prevalence in various parts of the world and current disease situation in the country with corresponding extreme stress on critical care system, National Command and Operation Centre (NCOC) Pakistan has decided to significantly reduce inbound International Air Travel.

2. Essentials as under: -
 - a. Inbound air traffic will operate at 20% of total current quantum.
 - b. Testing and Quarantine Protocols. Following standard health and COVID protocols across the board for all inbound travellers to Pakistan will be adhered to: -
 - i. Negative RT PCR test before travel to Pakistan (maximum 72 hours old).
 - ii. Rapid Antigen Testing on arrival at Airports in Pakistan.
 - iii. Negative cases will undergo 10 days self-quarantine at home with stringent TTQ protocols.
 - iv. Positive cases will be shifted by Provincial/ District Administration to self-paid facility for 10 days quarantine with TTQ of contacts (if any). 2nd RT PCR test will be conducted on 8th day of quarantine period. In case of negative result, passenger will be allowed to proceed home. However, in case of positive result, passenger will either undergo additional quarantine period or will be shifted to hospital as per advice of health authorities.

Miscellaneous

Mandatory registration on Passtrack App by all inbound travelers before traveling to Pakistan.

- Revised air travel plan will be effective from mid night 4/5 May (0001 PST) till mid night 19 / 20 May (0001 PST). Review will be carried out at NCOC on 18 May 21.
