

## **Embassy of Pakistan**

### **Paris**

**\*\*\*\***

As per the latest instructions issued by the NCOC on 05 December 2021, France has been included in Category B. The following SOPs would therefore apply to all passengers visiting Pakistan:-

- 100% vaccination for all inbound passengers.
- All passengers of 06 years age and above are required to be in possession of negative PCR test report (max 48 hours old) before boarding.
- Rapid Antigen Test of random flights will be conducted at airport on arrival from Cat 'B' countries.
- Rapid Antigen Test negative cases will be allowed to proceed. RAT positive cases will be quarantined for 10 days. RT PCR test of all RAT positive quarantined passengers will be undertaken on 8<sup>th</sup> day of quarantine. In case of negative result, passenger will be allowed to proceed home. However, in case of positive result, passenger will either undergo additional quarantine period or will be shifted to hospital as per advice of health authorities.
